**Richard Benson : F in Exams 2017 Daily Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised F in Exams 2017 Daily Calendar:

0 of 0 people found the following review helpful. funny but many repeats By texmazel The bad news first: there are A LOT of repeated pages from last year's edition. However they are funny, so if this is your first F in Exams calendar, by all means buy it, but if you had an older version before I'd rather not buy it. 0 of 0 people found the following review helpful. Hilarious By Amy Johnson This is, absolutely, my new favorite calendar. Hoping I can order in bulk next year for friends and family. 0 of 0 people found the following review helpful. then saw this and realized I would enjoy it much more if I could see a new ... By C. Fanelli Really enjoying this calendar! I was originally going to buy the book, then saw this and realized I would enjoy it much more if I could see a new exam question/answer every day.

Based on the bestselling F in Exams book series, this laugh-a-day calendar presents stunningly wrong but hilariously true student test answers.
