Peter Larsen : Film Music before purchasing it in order to gage whether or not it would be worth my time, and all praised Film Music:

0 of 3 people found the following review helpful. Film music book by Peter LarsonBy Bret MantoothI purchased this

book for a requirement in a college music review class. I is exactly what I needed. Great price and great quality.

Just hearing a few notes from certain songs can bring a movie back to lifewhether the Doors The End from Apocalypse Now, Simon and Garfunkels Mrs. Robinson in The Graduate, or John Williams scores to such blockbusters as Jaws, Star Wars, and Raiders of the Lost Ark. But what is the relationship between film and musicwhere does the film begin and the music end?

"This study of film music contains enough arresting detail to at least be of passing interest to your average soundtrack collector. . . . It will certainly be a must for Bernard Herrmann fans, given its thorough examination of his score for Hitchcock's North by Northwest. On this count alone the book is worth its while."
