Greg Merritt : Film Production: The Complete Uncensored Guide to Filmmaking before purchasing it in order to gauge whether or not it would be worth my time, and all praised Film Production: The Complete Uncensored Guide to Filmmaking:

0 of 0 people found the following review helpful. Four StarsBy CustomerA lot of good info on production if your new or been around for awhile1 of 1 people found the following review helpful. Well Written But in Bad Need Of UpdatingBy Anthony J. SherrittThe book is easily accessible, informative and well written, but large chunks of it are

about a decade behind the times. With HD and Red Cams now on the scene, film lab work is no longer necessary. And any discussion of VHS should be completely removed and replaced with DVD and digital delivery methods. 1 of 1 people found the following review helpful. Exactly as advertised. Needs updated though. By jgreen A good A-Z book for an independent film maker. A little old though, perhaps an updated version dealing with digital and computers would be better. But definitely a lot of info on the process.

Aims to provide the reader with real world facts about producing and selling a motion picture.
