The only thing that precludes a five star rating is that it is dated. Perhaps a current and revised edition will be forthcoming. 4 of 4 people found the following review helpful. Essential for film buffs By A Customer Halliwell's Companion makes all other film encyclopedias look superficial in comparison. It is essential for all film buffs who like to cross-reference info. The only minor quibble I have is that, as the BBC's film expert for decades, Halliwell naturally places a lot of emphasis on the British film industry -- at times to the point of making it seem as if it were as significant as Hollywood's contribution
