Fred Truniger : Filmic Mapping: Documentary Film and the Visual Culture of Landscape Architecture (Landscript, No. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised *Filmic Mapping: Documentary Film and the Visual Culture of Landscape Architecture (Landscript, No. 2)*:

Filmic Mapping, the second volume in Jovis new LandScript series, examines forms of land measurement, primarily

in documentary and essay films of the past ten years. Contributors from a variety of disciplines weigh in on the state of contemporary landscape architecture and its visual representation.
