M. Burnett : Filming Shakespeare in the Global Marketplace (Palgrave Shakespeare Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Filming Shakespeare in the Global Marketplace (Palgrave Shakespeare Studies):

This exciting new title investigates the explosion of Shakespeare films during the 1990s and beyond. Linking fluctuating 'Shakespeares' with the growth of a global marketplace, the dissolution of national borders and technological advances, this book produces a fresh awareness of our contemporary cultural moment.

'Filming Shakespeare in the Global Marketplace is dense and thoughtful, with analyses drawn from a broad theoretical framework that includes relevant work from across disciplinary boundaries... Burnett's book is highly successful in its attempt to investigate Shakespeare on screen... with an acute awareness of the complicated and contradictory role of cinema in the world economy today.' - Lisa S. Starks, *Shakespeare Quarterly*

'Offering the first full-length analysis of the relationship between Shakespearean film and globalization, *Filming Shakespeare in the Global Marketplace* is a singular achievement and an essential book for students, cinephiles, and a general audience. This first-rate study of Shakespeare's cultural influence in a world increasingly defined by corporatization and market values is indispensable for anyone seeking a sophisticated yet accessible understanding of Shakespeare's future on screen.' - Courtney Lehmann, University of the Pacific, California, USA

About the Author
MARK THORNTON BURNETT is Professor of Renaissance Studies at Queen's University, Belfast, UK. He is the author of *Masters and Servants in English Renaissance Drama and Culture: Authority and Obedience* (1997) and *Constructing 'Monsters' in Shakespearean Drama and Early Modern Culture* (2002).
