Ben Hellmann, Andreii Rogachevskii : Filming the Unfilmable: Casper Wrede's One Day in the Life of Ivan Denisovich (Soviet and Post-Soviet Politics and Society) before purchasing it in order to gage whether or not it would be worth my time, and all praised Filming the Unfilmable: Casper Wrede's One Day in the Life of Ivan Denisovich (Soviet and Post-Soviet Politics and Society):

This volume shares the fascinating story of the cinematic adaptation of one of the world's most influential novels. An all-encompassing account of the film's production and reception, the account is filled with little-known facts and valuable insight into Solzhenitsyn's complex relationship with filmmaking.

This study is a labour of love for Russian literature scholars Ben Hellman and Andrei Rogachevskii. Chock-full of fascinating and often witty footnotes, the main text provides a thorough account of the film's production. (The Scotland-Russia Forum)Wrede's film is important - for a long time the only film adaptation of Solzhenitsyn's work and often moving. Hellman and Rogachevskii's book is a valuable reminder and hopefully will encourage more interest. (Society for Co-operation in Russian and Soviet Studies Information Digest)Hellman and Rogachevskii's book can be a valuable resource for scholars who study either Wrede's films or Solzhenitsyn's literary text. It is a well-researched case study of a film adaptation based on a controversial literary text.
