Based on actual class lectures and assignments, *Finish the Script!* offers an inside look into the screenwriting process as it's author writes a screenplay from scratch along with the reader. By taking a step-by-step approach to writing, *Finish the Script!*, ditches theory and focuses on the actual process. Its a full college course squeezed into a book, complete with exercises and sample assignments. It shows how messy first drafts can be and how to fix problems and mistakes when doing a rewrite. Stop worrying about getting the perfect treatment, exact structure, or fitting your story into a generic mold and start writing because it's the only way you'll finish your script.
