Candace Ursula Grissom : Fitzgerald and Hemingway on Film: A Critical Study of the Adaptations, 1924-2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Fitzgerald and Hemingway on Film: A Critical Study of the Adaptations, 1924-2013:

A comprehensive guide to all major film adaptations based on the novels of F. Scott Fitzgerald and Ernest Hemingway, this is essential for scholars of American modernism and film studies. The author takes the approach that all visual and printed literature is born from a cycle of celebrity culture, in which authors continually create new works and reconstruct their personal images based on audience reception. The text includes two dozen reviews of individual films, from the silent era to present-day hits, such as Baz Luhrman's *The Great Gatsby*, as well as critical commentary from leading scholars of both modernist literature and film studies.

"recommended"--ARBA. About the Author Candace Ursula Grissom teaches English at Middle Tennessee State University in Murfreesboro, Tennessee. She has presented on American literature at conferences nationwide. She lives in Murfreesboro.
