This is like Kenneth Anger's Hollywood Babylon without the meanness.Amazing old photos and trivia. The perfect gift for the movie lover in your life. Even the most ardent film fan will learn some new fun facts from this book.An index would have been nice.0 of 0 people found the following review helpful. FANtasticBy Miss SaraThe gossip behind the gossip ,looking all the way back and into "Old Hollywood" with wonderful pictures you either forgot or never saw before!Take the trip and you will be sending a copy to each of your old friends who are FANS of THE HOLLYWOOD! ENJOY!!!1 of 1 people found the following review helpful. Flesh and FantasyBy Ron YanceyDon't buy this book expecting nudity. It is more of a "how they hid the facial scars" and improved looks.
