**Trinh T. Minh-ha : Framer Framed: Film Scripts and Interviews** before purchasing it in order to gage whether or not it would be worth my time, and all praised Framer Framed: Film Scripts and Interviews:

Framer Framed brings together for the first time the scripts and detailed visuals of three of Trinh Minh-ha's provocative films: Reassemblage, Naked Spaces--Living is Round, and Surname Viet Given Name Nam.

"This unusual book is recommended, even for those who have had no opportunity to view Minh-Ha's films. She is a critic and theorist whose ideas emerge in her art: the best proof of their viability."-"Choice ... "playful, provocative and full of surprises."-"Quarterly Journal of Speech
