Robert Horton : Frankenstein (Cultographies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frankenstein (Cultographies):

James Whale's Frankenstein (1931) spawned a phenomenon that has been rooted in world culture for decades. This

cinematic Prometheus has generated countless sequels, remakes, rip-offs, and parodies in every media, and this granddaddy of cult movies constantly renews its followers in each generation. Along with an in-depth critical reading of the original 1931 film, this book tracks Frankenstein the monster's heavy cultural tread from Mary Shelley's source novel to today's Internet chat rooms.

About the Author Robert Horton is the author of *Billy Wilder: Interviews* (2001) and the zombie-western graphic novel *Rotten* (2010) and its spin-off *The Lost Diary of John J. Flynn* (2012). He is also a contributor to *Film Comment* and *KUOW-FM*, and curator of the Frye Art Museum's Magic Lantern program.
