Phil Powrie, Keith Reader : French Cinema: A Student's Guide (Hodder Arnold Publication) before purchasing it in order to gauge whether or not it would be worth my time, and all praised French Cinema: A Student's Guide (Hodder Arnold Publication):

What are the Cahiers du cinema ? Which are the most popular French films ? How do you write an essay on a French

film ? What is a high-angle shot in French ? When did more French spectators go to see American films than French films ? How do you talk about a short sequence of film ? You can find the answers to these and many more questions in this essential resource for students of French cinema.
