from the past mentions of CribbageBy James Lloyd VandoskeThis is a very funny book by a person who enjoyed the tournaments played for money. It has some quizzes that test the readers about what card(s) should be played in games. I think anyone who plays cribbage will enjoy the book as it is funny and will improve your skill at playing the game.0 of 0 people found the following review helpful. Some of the finer details will make sense only to Cribbage experts.

Sure, sure, the best way to have Fun with Cribbage is to find an opponent and play. But this collection of challenging puzzles, hilarious stories, and fascinating quizzes is almost as much fun. It's the perfect book to bring out when your favorite opponent is missing in action. And a great gift for any cribbage player.
