Chris McMullen, Carolyn Kivett : Fun Word Scrambles for Kids before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fun Word Scrambles for Kids:

These word scramble puzzles consist of words or phrases in the interests and knowledge base of kids where the letters have been scrambled. Solve each puzzle by rearranging the letters to form the word or phrase. For example, rearranging the letters SAMEG, we can form the word GAMES. Each puzzle consists of a group of related words or phrases, like ice-cream flavors or types of pets. Knowing that the words in each puzzle are related may help to unscramble tougher words. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that you can check your solutions.
