**Lois Wyse : Funny, You Don't Look Like a Grandmother** before purchasing it in order to gage whether or not it would be worth my time, and all praised Funny, You Don't Look Like a Grandmother:

6 of 6 people found the following review helpful. Things I wish I'd known sooner By Zelda This book should be handed out to every woman upon learning she is to be a grandmother! So many questions were answered and could have saved me so many difficult moments and lots of money spent on things our children would never use for their new prodigy. It was told in a humorous fashion that was heartwarming and after living so many of the situations for the past 2 1/2 years I could totatly relate. I will tell all my friends about it and probably make it a gift for any of them becoming new grandmas. If there is a new baby in your child's future BUY THIS BOOK! and sit back for a fun read. Buy this book for your Mom when you tell her you are pregnant, it should make your life easier unless she's just a control freak. 1 of 1 people found the following review helpful. Grandmothers - the Glamour! By Liz526 I expected this

book to be written in general terms about grandmotherhood, but it turned out to be a series of stories of different experiences of grandmothers. Fun to read and entertaining, it was quick and easy to get through. (Which is good, because I gifted it to a grandmother-to-be!) The only thing that I didn't like was the font used on the cover: my image of grandmothers is a little more sweet and formal than that! 1 of 1 people found the following review helpful. Five Stars  
By Tina Sledz  
Adorable read!

Smart, warm, telling, and funny, *Funny, You Don't Look Like a Grandmother* is the perfect bouquet for today's grandmother, that active and interesting woman who is old enough to be somebody's grandmother and young enough to run around the world. Lois Wyse's new book, charmingly illustrated by Lilla Rogers, is a collection of wit and wisdom for today's Nana, Grandma, Goo-Goo, or Gran. How can you recognize today's grandmother? Easy, says Wyse. The grandmother is the one who goes out more and complains less than her daughter. In the spirit of Erma Bombeck and Bill Cosby, Lois Wyse tells loving and amusing stories that illustrate the joys of contemporary grandmothers. According to Lois Wyse, "A mother becomes a true grandmother the day she stops noticing the terrible things her children do because she is so enchanted with the wonderful things her grandchildren do." Contemporary grandmothers and their children and grandchildren will see themselves in these reflections of family life that include everything from how it feels to become a grandmother to gentle advice on parenting and career grandmothers. *Funny, You Don't Look Like a Grandmother* is the first nontraditional book about grandmothers who may not look like grandmothers -- but who love as deeply as the generations of grannies who preceded them.

From the Inside Flap  
Smart, warm, telling, and funny, *Funny, You Don't Look Like a Grandmother* is the perfect bouquet for today's grandmother, that active and interesting woman who is old enough to be somebody's grandmother and young enough to run around the world.
