I had heard her say, many times, that she wished she could fine a book that was nothing but numbers. Well, thanks to Charles Timmerman and to for picking him up, I found my mother JUST what she asked for. My mother began the first puzzle on November 6, 2016 and finished the

last puzzle on April 25, 2017. Mom is ready for Volume 2, Mr. Timmerman. I hope it's in the works! In mothers words, "I loved, loved, loved it and I'm sad that I don't have another one to start." 0 of 0 people found the following review helpful. she's 78 and it's easy for her to read By debra barscheski Bought it as a gift for my mom and she loves it! She had a hard time finding the number finds and when I saw this I grabbed it. It also helps that it's large, she's 78 and it's easy for her to read. 0 of 0 people found the following review helpful.
