Would highly recommend Funster 101 Large-Print Word Search Puzzles By Gann Hitchcock This is the very best word search puzzle book ever. Each page is jam packed

with words of interesting topics. I plan to get all their puzzle books. If you like a challenge, you will enjoy this book. 2 of 2 people found the following review helpful. Break the tv monotony with it! By Glenn A. Turner A good time consumer as well as brain booster for old folks like me. Large print helps, of course. The size causes me to confine it to home use although it can be rolled up to carry with you. (Small "take along" puzzle books are handier for travel.) Because of its size, the words and the word finder puzzle are both on the same page which makes it handy, also. The different puzzle topics keep one's interest up, too.

Experience the simple joy of classic word search puzzles. The perfect gift for adults or kids. Printed in a large, easy-to-read format. 101 stimulating puzzles 30 overlapping words in every puzzle Interesting themes Easy-to-read 20-point type
