The store offered to take it back, but I think I will just give it to a beginner pianist.Thank you!1 of 1 people found the following review helpful. Great for beginner, it's theme, not whole songBy K. TowlerThis is excellent if you are a very, very, very beginner student. I am not, so I did return. Also, this is just a brief theme, not the whole song or anywhere near the whole song.7 of 7 people found the following review helpful. Very simple version of a classicBy Jean M.It is my fault for not reading the description, but I was looking for the original fur Elise music. This is a very easy version of the song. It is very good printing and if you are looking for a easy version it would be perfect.
