around!By Matthew DoeringhausLike I said, I'm a HUGE fan of Futoshiki...and this collection -- printed on quality paper in a handy size -- is the BEST I've found! 5x5 is my preferred game, and with this book you'll get a good mixture difficulty levels. Answers are in back in case you get stumped. Believe me, if you like Sudoku and/or Futoshiki, you'll enjoy this book. Most books you'll find are cheap and printed on flimsy newspaper; not this one...it's a high quality publication worth every penny!0 of 0 people found the following review helpful. Fun, but smallBy Michael F.I love Futoshiki and these are great puzzles. I was a bit disappointed that the puzzles are all small; just 5X5. Still, the hard level is a challenge. I'm enjoying them and the small book fits right into my purse. I have no problem recommending it, just keep in mind that they are small puzzles.1 of 1 people found the following review helpful.
