Youth Specialties : Games before purchasing it in order to gauge whether or not it would be worth my time, and all praised Games:

Five Stars By Customer Good experience 4 of 4 people found the following review helpful. lots of fun games, not much for small youth groups By Jennifer Olsen I bought this book in hopes there would be some great games for my single digit youth group. But they consider "small" to be 30 or less, and we are WAY less, so there aren't many in there that will work for us. That said, there are TONS of fun games for larger groups, young or old. I've loaned it to the group in charge of our all church camp out. It is a great resource for the church in general, so despite my disappointment in the youth group applications, I'm still glad I purchased it. 0 of 0 people found the following review helpful. It does have a lot of quick and easy game ideas By Mjsanta Not quite what I thought it would be. It does have a lot of quick and easy game ideas, but I thought it would have a lesson or scripture

with them.
