Andrew Vaughan : Garth Brooks: The Illustrated Story before purchasing it in order to gage whether or not it would be worth my time, and all praised Garth Brooks: The Illustrated Story:

1 of 1 people found the following review helpful. He loved it.By npryorBought as a gift for my brother. He loved it.0 of 0 people found the following review helpful. Five StarsBy Amy RGreat book.

Garth Brooks is the most successful male country-recording artist ever and one of the world's bestselling artists of all time. Although he "retired" in 2001, he has since returned to music, and launched the biggest comeback since Sinatra with a release of his first album of new material in 13 years. To honor this momentous occasion, this unofficial music biography is the first fully illustrated celebration of Garth Brooks and his career in all its glory. Music journalist and author Andrew Vaughan traces Brook's incredible rise to superstardom from the ground up, his thirteen-year retirement, and his return to the top, making this a must-have volume for his millions of devoted fans.

About the Author Andrew Vaughan is a well-known and respected music journalist whose work has appeared in Billboard, Music Week, Mojo, Q, the London Times, the Guardian, and many other magazines. He has been a regular guest on BBC Radio, BBC TV, and VH1. In 1998, Andrew moved from London to Nashville, where he quickly became one of the best-connected writers on the music scene. He is also the author of the UK bestselling *Shania: Feel Like a Woman* (Andre Deutsch) as well as *The Eagles: An American Band* and *Taylor Swift* (both Sterling). He was previously editorial director for the American Music Channel and is currently an editor at Gibson.com in Nashville.
