However, the product took more than 2 weeks to ship. Usually my .com orders come in sooner. I understand that is was through a different company, but it was rather hindering to me to have my merchandise not shipped for so long. I hope this will change.

Great masters of lieder from Beethoven to Richard Strauss are represented among 48 songs that have been chosen for their appeal to young singers. Musical excerpts studied in Gateway to German Diction appear as complete scores. The comb binding creates a lay-flat book that is perfect for study and performance.
