**Doug Walsh : Gears of War 3 Signature Series Guide (Bradygames Signature Series Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gears of War 3 Signature Series Guide (Bradygames Signature Series Guide):

Indispensable for this playerBy ObxboyAs an older gamer with limited (but growing) experience on console games, I find a well-written guide to be a must have. To many easy to miss side items and details to missions. Judging by the level these things sell at, if I'm considered a cheater, I'm not alone! The 'Gears of War' guides are not as comprehensive as the Skyrim book, but they don't need to be. With the assistance of the guides, I played the trilogy to a successful and satisfying conclusion.1 of 1 people found the following review helpful. Easier than the webBy PeggyI was able to get this strategy guide for three bucks on sale through . I figured it'll be easier to use than to have my laptop next to me using wifi and wasting battery life. Amazing

game and now a handy guide to help me figure out odd parts. Thanks BradyGames! 0 of 0 people found the following review helpful. COG Tags Must! By Marcel Great guide to collectables, weapons, and game features. Glad I bought it, some of the COG's were way difficult to find. Great price also (\$4)
