A Geeky Girl's manifesto filled with essential details for brainiacs everywhere!From the book:Weapons of Choice: Brain, computer, and DVD player.Motto: The mind is more important than the waist.What do Lucille Ball, Hillary Clinton, and Katherine Hepburn all have in common other than their fine minds? The ability to bounce back quickly from divorce or national scrutiny. Using their heads and hearts, these women all have risen above their situations and rowed forward into better waters. And anybody with a brain and a dash of will power can do the same. Geeky Girl shows how you, too, can live your life in the highest of Geek style.Geeky Girl is the essential guide to the sentient life, including recipes to nourish the most important organ -- the brain -- and many trade secrets you won't find anywhere else.Written in LazySusan's trademark sassy style, Geeky Girl has wit as sharp as the claws on your Hobbit Feet slippers!
