**Rob Jovanovic : George Michael** before purchasing it in order to gage whether or not it would be worth my time, and all praised George Michael:

0 of 0 people found the following review helpful. Worth readingBy Denise J. StruvenEnjoyed the book even though some of the information can be found online. Most fans of George will want to read this.0 of 0 people found the following review helpful. Recommend it!By Diane Loves ElvisBeing a George Michael fan, I enjoyed this book. I

never knew anything about his life until I read this book.0 of 0 people found the following review helpful. Only for George Michael fans!By nana maryJust a compilation of previous recorded television interviews and printed interviews. Nothing new!

George Michael is an enigma. While he is one of the most open and vocal pop superstars on the planet, he also fiercely protective of his privacy. From the formation of Wham! In 1981 he immediately found fame and fortune beyond his wildest dreams. His music formed the soundtrack to the 1980s and he achieved all of this despite growing up in a dysfunctional family where his father openly proclaimed that George had no talent. Wham! Split in 1986 but Michael went on to greater things as a solo artist. Along the way he has been embroiled in several controversies, but in a refreshing change to other superstars, he has been happy to address his issues head-on in the media. A court case with Sony; an arrest in a Los Angeles public toilet; minor run-ins over class-C drugs; and traffic offences in London. Rob Jovanovic's new biography of George Michael tackles the issues that formed the superstar today and his place as a cultural icon. It also for the first time analyses Michael's musical output and groundbreaking videos, right up to his triumphant 2006 tour, the first in 15 years as Michael returned from the music wilderness.

Michael's journey is mapped out respectfully by a writer with a clear appreciation of his subject's worth.RECORD COLLECTORAbout the AuthorJovanovic has written about music for numerous magazines, including Mojo, Q, Level, Record Collector and Uncut, and many other publications such as The Guinness Rockopedia and The Rare Record Price Guide. He is a full-time writer and is based in Nottingham. Visit his website at [www.jovanovic.co.uk](http://www.jovanovic.co.uk).
