Giacomo Puccini : Gianni Schicchi Vocal Score (Italian Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gianni Schicchi Vocal Score (Italian Edition):

1 of 2 people found the following review helpful. Nice translation, but poor printing job!By Elaine CraneThis public domain translation is nice (with some quaint antiquated language.) The trouble is that the Italian is on one leaf of a page, and the English is on the back, so they are difficult to compare side by side because you have to keep flipping the page back and forth! This is an unfortunate detail, because otherwise there are many quality aspects of this publication, including lovely cover art.

Puccini's only comedy, Gianni Schicchi is a marvel of beauty and structural elegance. Written as the last installment in Il Trittico, it stands well on its own as a one act and never fails to delight audiences. Printed with excellent contrast on premium, heavy, cream-colored paper. Pianists and singers alike will delight in the sturdy spiral binding, which allows the book to lie flat open to any page. Italian text only. Reprinted from Ricordi edition.

About the AuthorTosca is an opera in three acts by Giacomo Puccini based on the Victorien Sardou's dramatic play "La Tosca". Tosca is dramatic and beautiful. To this day it is one of the most frequently preformed operas.
