**Sylvia Stoddard : Gilligan's Island (TV Treasures, No 1)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gilligan's Island (TV Treasures, No 1):

0 of 0 people found the following review helpful. gilligans island By Dougmoser A great book, but in the episode list they don't give out the endings. I really love the extra trivia included in this book. 2 of 2 people found the following

review helpful. Very Interesting  
By McTeague  
This book is a lot of fun to read. Lots of interesting facts...not just about the series itself, but about what was going on in the world at the time. Also, the author is good to tell us where the ideas came from for episode titles, meanings of certain points in the scripts, etc.  
9 of 10 people found the following review helpful. Just like the series, you never get rescued  
By A Customer  
The author of this book apparently never watched any of the episodes to the ending. The plot summaries of each show sound like something the TV guide would offer. Just enough information to get you to watch the show, but nothing about how it was resolved. I found the book extremely disappointing.

includes behind-the-scenes anecdotes, exclusive interviews with the stars and producers, complete biographies and filmographies, and descriptions of edited scenes. TV tie-in.
