Jonathan Harvey : Gimme, Gimme, Gimme: The Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Gimme, Gimme, Gimme: The Book:

Outrageous, bawdy, extremely funny - "Gimme, Gimme, Gimme" the sitcom starring Kathy Burke and James Dreyus as mismatched flatmates Linda and Tom, who bitch at each other, fight over men, and lead sad deluded lives. They

trade vulgar, non-PC insults and bicker endlessly, but the pair are secretly fond of each other and would never dare admit that they are in fact the best of friends. The series first hit the television screen in 1998 and soon acquired a cult comedy status, moving from post-watershed BBC2 to mainstream BBC. Now the scripts from the first three series have been collected into this one volume. Also included are profiles of the main characters, Linda and Tom's funniest and most memorable lines, and a guide to their world (including the batty neighbours and Linda's lust for Liam Gallagher). Writer Jonathan Harvey reveals the world of "Gimme, Gimme, Gimme" in all of Linda's day-go glory.
