**Frances Barth : Ginger Smith and Billy Gee: An Optimistic and Utopian Tale** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ginger Smith and Billy Gee: An Optimistic and Utopian Tale:

1 of 1 people found the following review helpful. Enjoyable on So Many LevelsBy AnnieI found the time I spent with this absorbing, quirky, wonderful book to be richly rewarding. The seemingly simple yet deep story meshes beautifully with the visual aspects (clearly the work of a mature painter with a strong, unique aesthetic the information about her on is so impressive, and I can see why). This is a book to revisit and savor.1 of 1 people found the following

review helpful. You've gotta have thisBy Hermine FordFrances Barth, esteemed veteran painter, performer, educator, videographer, has made a really beautiful book. The narrative is funny, enigmatic, and has its own "trueness". It blends text and image in surprising ways. And the production is tops.1 of 1 people found the following review helpful.  
Frances Barth: 'Ginger Smith and Billy Gee'By CustomerI got Frances Barth's book GINGER SMITH AND BILLY GEE and loved it! So poetic, dreamy, mysterious...funny, beautiful...It made me enter and linger in that unique 'space' and world.

In this singular abstracted land, six characters drive forward the story in "Ginger Smith and Billy Gee" by the painter Frances Barth. In the family of a graphic novel, but also like a graphic poem, this is a book in two acts, with interspersed dreams of the main character Ginger. It turns its focus cinematically on the darkly comic relationship developing between Ginger, a painter, and Billy, an aspiring writer, after Ginger is dumped by Billy's best friend. Four other characters contribute to the richness of the story. Hiker 1 and Hiker 2 are like figures in a Greek Chorus commenting on the action and entering and leaving the story line, and Male and Female add a Freudian coda to the proceedings. This is a winsome and jaunty artist tale, humorous, poetic and symbolic. A full color book with all original drawings and text.
