Ellouise Moore : Girl in High Heels: Intimate Confessions of a London Stripper before purchasing it in order to gauge whether or not it would be worth my time, and all praised Girl in High Heels: Intimate Confessions of a London Stripper:

1 of 1 people found the following review helpful. Good fun memoir By Celeste Thayer Fun read - Ellouise is really a likeable person, and her stories make her sound like someone I'd like to hang out with. Slightly introverted, she

describes how she turns what might be a liability for most into a feature/benefit as a stripper.

'He thought I was different from all the other girls and really shouldn't be there. A lot of men think like that; they want to save you. When it was time for his party to leave he reached into his pockets and pulled out a huge wad of notes. It was nearly four grand. I'd never held so much money in my life.' Naive, fresh faced and wearing a floral dress, it seemed unlikely that Ellouise Moore would be selected from amongst the hundreds of glamorous girls when she auditioned at a well-known West End strip club. But she quickly learnt the ropes and became a club favourite. Intimate and very revealing, Ellouise tells us all about her life as a London stripper. We meet her regular clients and hear of the illicit sex and drugs behind the scenes. And how, in a world where many girls get lost in the glitz, she managed to stay afloat.

"A serious attempt at explaining a decent into the world of sex. And a tale of surviving... A rich document of how one person survived and found it necessary to come back and tell us how." -- John Bird * The Big Issue *About the Author
Ellouise Moore is 28 and lives in London. No longer a stripper, she owns four rental properties in London and teaches lap dancing to office girls in the city.
