Kelcey Coe : Girlfight before purchasing it in order to gauge whether or not it would be worth my time, and all praised Girlfight:

How Far Would You Go to be The Best? It's the annual Spring Break and mob-controlled Buckeye City is looking to make a killing. Not only will the city be bustling with the cutest college coeds but Ohio's Next Top Model Fashion Competition looks to award the best model with a cash prize and contract into a state-wide agency. When the world's deadliest assassin, Russell Brown, and his wife, femme fatale and model Rachel, hear of this news, they embrace this opportunity to lure the local talent into a deadly tournament by offering them a chance at a multimillion dollar contract with an international modeling agency. Hungry for fame and glory, the girls go all out in proving who is the best model - from betrayal to literally tearing each other to shreds. Allegiances will be tested; alliances will be broken no

one can be trusted! Girls just want to fight throughout this elaborately caged model combat like never before imagined! Bare knuckle and brass knuckle boxing to fistfights with barb-wire and glass fuel this ultra-violent horror nightmare!
