Some very good advice for both boys and girls. Cute and totally loveable book. Highly recommended for light, tongue in cheek humour. Great value for money also1 of 1 people found the following review helpful. Not HumorBy a customerTodd Harris Goldman's first book was calling Boys Stupid.This one insults feminine behavior repeatedly. For example: insulting girls for loving to dress up, use accessories, watching chick flicks, having crushes, caring about their weight, or using the phrase BFF.For some reason it also felt the need to call Nice Boys no better than Bad Boys.This isn't humorous. It insults girls and demeans both genders.

Here's the perfect gift for a girl (a pretty grown-up girl, that is) to give to her best friend foreverwhen her BFF is having a birthday, or a bad hair day, or a low self-esteem day, or an I-don't-understand-my-boyfriend day. Because

even though it sounds like you're calling your friend a weirdo, this book is in fact a wonderfully astute and affectionate look at the female psyche, and perfect for any girl with a sense of humor (and a desire to know what boys think of girls). With his unique Homer-Simpson-channeled-through-Jessica-Simpson sensibility, Todd Harris Goldman that Todd Harris Goldman, the funny, crude, un-PC, very savvy author of *Boys Are Stupid, Throw Rocks at Them!* explains why boys think the opposite sex is weird. Narrated by a boy who's sort of a moron, it questions all the things that are completely alien to boys, but with a surprisingly sweet insight and great good spirit. Waxing vs. shaving. The color pink. Shoe obsessions. The everyday dilemma: "Does this dress make me look fat?" The appeal of tiny little dogs. Fake boobs. The mysteries of PMS. In the end he can only conclude that girls are weirdos and leave it at that a conclusion that girls will not only understand but own up to proudly.

From the Back Cover A Book That's All About You Congratulations! You're a girl. You like the color pink. You watch Chick Flicks. Some days are Bad Hair Days. Other days are for Shopping, where you hang out with your BFF, compare Crushes, and ask the eternal question: Does this dress make me look fat? Isn't it great?!*Please note that this is not a children's book
