Mina Carson, Tisa Lewis, Susan M. Shaw : Girls Rock!: Fifty Years of Women Making Music before purchasing it in order to gage whether or not it would be worth my time, and all praised Girls Rock!: Fifty Years of Women Making Music:

0 of 5 people found the following review helpful. Great gift for future rockerBy PhatchickI bought this book for my

rocker niece and she loved it. I was a hit. Made her happy, makes me happy. 0 of 5 people found the following review helpful. The book seems new. By Laira Although it is a used book, it looks new. It is hardcover and it has no markings. I have yet to read it, but concerning the state of the item, I am very pleased with it. 0 of 8 people found the following review helpful. Was very satisfied By Caryn M. Houseworth I recieved it when I was suppose to and it came in the condition described.

With a foreword by Jennifer Baumgardner and Amy Richards *Girls Rock!* explores the many ways women have defined themselves as rock musicians in an industry once dominated and controlled by men. Integrating history, feminist analysis, and developmental theory, the authors describe how and why women have become rock musicians what inspires them to play and perform, how they write, what their music means to them, and what they hope their music means to listeners. As these musicians tell their stories, topics emerge that illuminate broader trends in rock's history. From Wanda Jackson's revolutionary act of picking up a guitar to the current success of independent artists such as Ani DiFranco, *Girls Rock!* examines the shared threads of these performers' lives and the evolution of women's roles in rock music since its beginnings in the 1950s. This provocative investigation of women in rock is based on numerous interviews with a broad spectrum of women performersthose who have achieved fame and those just starting bands, those playing at local coffeehouses and those selling out huge arenas. *Girls Rock!* celebrates what female musicians have to teach about their experiences as women, artists, and rock musicians.

"Chosen for the 2005 Amelia Bloomer Recommended List of the American Library Association." "The stories are touching, personal, gritty, real, and political. . . . It gave me a sense of a legacy, that we have grandmas who've been building these bridges for us. It's a powerful thing to be written into being, to illuminate the hidden stories with joy." *Clamor* "An exploration of women as musicians, their relationship to the music industry, and the way women construct their identities as girls who rock." *Corvallis (OR) Gazette-Times* "Combines feminist analysis, history, and developmental theory to describe women's journey on the rock 'n' roll road." *Eugene (OR) Register-Guard* "Treats female rockers with the depth and seriousness that they deserve and have all too often been denied." *Iola (WI) Goldmine* "Manages to avoid the conflation of popular music to pop stars and instead to incorporate lesser-known musicians into the history of rock." *Journal of Material Culture* "Sets out to find out how women develop identities as rock 'n' roll musicians. It's not a book about women and rock; rather, *Girls Rock!* Discusses women's relationship to rock." *Portland Oregonian* "Carson, Lewis, and Shaw have written a book that fills a significant gap in the current discourse on women in popular music. They examine the connection between selfhood and music-making in a way that both validates and honors the unique experience of women in rock-and-roll. These girls rock!" Teresa Reed, author of *The Holy Profane: Religion in Black Popular Music* About the Author Mina Carson, associate professor of history at Oregon State University, is the author of *Settlement Folk: Social Thought and the American Settlement Movement, 1885-1930*. Tisa Lewis, professor of human development and Christian education at Montreat College, is the author of *Faith Influences: Gospel Responsibilities in a Changing World*. Susan M. Shaw, director of the Women Studies Program at Oregon State University, is the coauthor of *Womens Voices, Feminist Visions: Classic and Contemporary Readings*.
