Terry Stickels, Anthony Immanuel : Go!Games Absolutely Addictive Sudoku before purchasing it in order to gage whether or not it would be worth my time, and all praised Go!Games Absolutely Addictive Sudoku:

1 of 1 people found the following review helpful. LoveBy Isolde M MoralesDrives my brain crazy. Love it0 of 0 people found the following review helpful. love all the variations ofBy MarionI buy these books 2 at a time, love all the variations of levels

Ever since sudoku burst onto the scene, solvers found it irresistible. They grabbed any variant they could find and hungrily tested their skills. Well, now were upping the ante with 240 new, fabulous and sometimes wildly innovative sudoku, and fans beware: once you start solving, you wont be able to stop! Give your brain a good workout, but not so impossible that youll get frustrated. They come in a variety of levels, so even if youre a relative beginner, you can work your way up to the hardest "Big Mind Challenge" selection. To help you, theres an excellent introductory section with tips and techniques. Theyre fun, theyre entertaining, theyre ABSOLUTELY ADDICTIVE!

About the Author Terry Stickels is well-known for his three internationally syndicated columns. FRAME GAMES, seen in USA Weekend magazine, is read by over 48,000,000 people in 600 newspapers weekly. He concurrently writes STICKELERS for King Features, appearing in over 200 newspapers daily, including the Washington Post, the Chicago SunTimes, the Denver Post, and the Toronto Star. He also is the featured puzzle columnist for the Guardian, Londons largest newspaper. In addition, Terry finds time to write books for both adults and children, and do motivational speaking. Anthony Immanuel is a computer engineer and puzzle creator. His puzzles are featured in leading newspapers and puzzle magazines around the world. He has contributed puzzles to the World Sudoku Championship and has written over twenty puzzle books. He lives in India.
