Terry Stickels, Christy Davis : Go!Games Absolutely Addictive Word Search before purchasing it in order to gage whether or not it would be worth my time, and all praised Go!Games Absolutely Addictive Word Search:

0 of 0 people found the following review helpful. Absolutely Addictive Word Search By Cheron Very well done! I bought it as a gift but then decided to keep this for myself! It is so much fun! The variety of puzzles is interesting! I LOVE the paper it is printed on! Any color pen or pencil I use looks fabulous on the paper. I'm hoping a 2nd edition will be out for the holidays! Recommended for all ages.

Beware: Once you start solving these word searches, you wont be able to stop! These searches are wildly entertaining, sometimes funny, and in a range of different levels to suit every solver. Its the newest in the go!games series, and one thats sure to be a hit.Each puzzle features a cool theme, from "007" (agents, assassins, and Bond, James Bond) to "Authors" (Dickens, Faulkner, Fitzgerald, and Twain) and "Board Games" (Checkers, Chess, Parcheesi, and Yahtzee). Or choose "Bite Me," "Elvis," "Golf Courses," and "Putting on the Brakes." There are 188 word searches in all, and each one is so much fun youll want to keep on solving till you have done them all! And of course completed puzzles are there in the back.
