Brain-busting, mind-bending, hair-tearing fun from one of America's top puzzle makers! Welcome to Sudoku, Stickels-

style! Featuring five levels of difficulty, from very easy to very hard, these beautifully and logically constructed grids offer solvers just the right amount of challenge, allowing them to stay focused and fully enjoy the experience. Stickels knows that if a Sudoku becomes too stressful or frustrating, it's probably a flaw in the design--not the person doing it. Unlike lesser puzzles, his never have more than one possible answer, are pleasing to the eye, and involve no guesswork. They're a great way to keep the mind in tip-top shape!

About the Author Terry Stickels is well-known for his three internationally syndicated columns. FRAME GAMES, seen in USA Weekend magazine, is read by over 48,000,000 people in 600 newspapers weekly. He concurrently writes STICKELERS for King Features, appearing in over 200 newspapers daily, including the Washington Post, the Chicago SunTimes, the Denver Post, and the Toronto Star. He also is the featured puzzle columnist for the Guardian, London's largest newspaper. In addition, Terry finds time to write books for both adults and children, and do motivational speaking.
