God of war prima game guide i paid 25 cents for and its needed to because it's a walkthrough By thomas henry I had paid 25 cents for the guide with the DVD. Now the God of war guide is supposed to come with a DVD because it's a walkthrough of the first game. And it also has extras and the bonus suits. And plus i have to say that this book is going to be needed because i kept on dying in the one part plus it also shows the location of the gorgon eyes and pheinox feathers so this prima guide is money worth spent.
