I only wish it had been published as an audiobook, like his first book, as hearing himself tell his story adds an extra dimension.If you haven't listened to his Saturday morning radio show on BBC Radio 5 live, "The Danny Baker Show", you're missing out on a great show. I live in the US and always start my

Saturday mornings by listening to the podcast. 1 of 1 people found the following review helpful. Cannot recommend this enough! By Customer Danny Baker is a British national treasure. This, along with the first installment *Going To Sea in Sieve*, are great stories of Britain since the 60s as well as of DB himself. Can't wait for the final part of the trilogy. 2 of 2 people found the following review helpful. If you liked volume one, you'll like volume 2. It's more of the same but I'll still buy volume 3 when it comes out.

The dazzlingly funny second volume of Danny Baker's memoirs: the television years. Since my first book was published I have had countless friends and family members get in touch to say how come I hadn't included this story or that tale. Was I ashamed of being shot twice, once up the arse, in Jamaica Road? How long should a man live with such a secret? If by retrospectively dropping my trousers every few pages I can reveal a fuller picture of myself during these years, then so be it. Besides. Being shot up the arse. In front of your mates. What else did I forget?

Baker writes as he speaks, with honesty and infectious joie de vivre. SUNDAY EXPRESS This book is a hoot, buzzing with Baker's impressive recall and nuclear-strength warmth and humour. OBSERVER Rattles along at the same delightful and dizzying pace as its predecessor. DAILY TELEGRAPH Like its author, Baker's book is garrulous, preening, self-mocking and funny. It's as rattling to read as it evidently was to write. In the proud Baker tradition, it's a bit of a knockout. NEW STATESMAN About the Author Danny Baker was born in Deptford in south-east London and has been a comedy writer, journalist, radio DJ and screenwriter for 30 years. He has won four SONY AWARDS, most recently in 2013 for his weekly BBC Radio 5 Live show. <https://twitter.com/prodnose> www.internettreehouse.co.uk/
