It includes 10 scripts from the hit show, as well as a 16 page photo insert, and a segment on making the show! It was published in England in 1991 and is extremely rare and hard to find. I finally managed to locate a copy on eBay, an it was well worth the price! If you are a fan of this classic TV show, and you can find a copy of this book, I recommend you buy it. Trust me, you won't be disappointed.0 of 1 people found the following review helpful. Wonderful book for every GG fan!By ZAZA SIAMASHVILIThis is a great compilation of the Golden Girls' episodes you have seen on the screen. Only some are in the book but while you are on the go, you gotta take the book and read and read and have a laughter! I just love it and sometimes compare with the corresponding GG dvd episodes! That's another fum you might have. I just wonder why don't they publish it again?

A book which brings together 13 scripts from Channel 4's "Golden Girls" comedy series. It also contains profiles of the stars and a section on the making of the show, illustrated with photographs.
