**David A. Fryxell : Good Old Days My Ass: 665 Funny History Facts Terrifying Truths about Yesteryear** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Old Days My Ass: 665 Funny History Facts Terrifying Truths about Yesteryear:

1 of 1 people found the following review helpful. great book, everyone should be aware of how things ...By Suzgreat book, everyone should be aware of how things used to be, and how so much is going back to the way it was. In the generation I grew up in we knew nothing but the age of social security, well life lines. We are losing all the comforts we have been used to and for some reason people think it was better that way now. I have been checking in on history alot more now, I had no idea before.0 of 0 people found the following review helpful. Five StarsBy amy g.Thanks!!!!2 of 2 people found the following review helpful. If you can't laugh at this book, what can you laugh at?By carpoolqueenI purchased several of these books to give as gifts to my genealogy friends. This book can be used to document your own fun family facts, or to spark ideas and research for your own family and tracing your family tree. You are bound to chuckle or giggle as you read your way through this book. You don't need to be a genealogist to enjoy this.. anyone who likes odd facts and tidbits will wear this book out!

Welcome to the Not-So-Glorious Days With the uncertain economy, lingering wars, and the ever-present threats of everything from bird flu to Bieber Fever, it's tempting to long for the "good old days" But just how good were they? Buckle up for a bumpy ride down memory lane (and try not to get trampled) as these 665 funny history facts and terrifying truths reveal the unfortunate reality of life during the eighteenth, nineteenth and early twentieth centuries. From patents that should still be pending to hairdos that attract vermin, these horrors will leave you thankful you didn't have to struggle to live through them. Brace yourself as the truth hits you like an ice-cold Victorian-era shower with enough pressure to knock you unconscious. Get ready to shudder with laughter (or horror) at these funny moments in history that are not to be forgotten.

About the Author David A. Fryxell has written more than 1,000 magazine and newspaper pieces for publications including Playboy, Reader's Digest and Travel Leisure. He is the founder of Family Tree Magazine and currently a contributing editor.
