From Hal Leonard : Grease (Vocal Score) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grease (Vocal Score):

While the piano score is identical to the current score from Samuel French, the vocals are different. I have now directed the show twice, and this score is perfect for preparing choreography and accompanying rehearsals, but it CAN NOT be used to teach the score -- the Samuel French rental music now comes with the correct vocal accompaniment (example, Alone at the Drive-In Movie now has extensive backup parts for the Burger Palace Boys -- those are not included in the original score). 1 of 1 people found the following review helpful. lifesaver By Grandma N The score from Samuel French was a much photocopied

manuscript reduced to 8X11 from the original size. It was unreadable. There were many places where the staff lines did not appear. This published score was a lifesaver for me as an accompanist. I understand some of the vocal parts are different from the score, but the instrumental was the same. 0 of 0 people found the following review helpful. do not fit the images presented By leadub0 I need musical partitions shown with the Look inside button. And there is absolutely no musical partitions inside. I have simply lost my money... Sorry for the negative evaluation, it is the first time it happen. To moderate, the book is clean and ok, but musical partitions are not present...
