Russell James : Great British Fictional Detectives before purchasing it in order to gage whether or not it would be worth my time, and all praised Great British Fictional Detectives:

0 of 0 people found the following review helpful. Pictured something betterBy Jill BachNot wild about the format2 of 3 people found the following review helpful. it is not as useful as it might have beenBy Carol LloydThis could have been a fabulous reference to the genre, but is flawed for me by the fact that all entries are by character name, not author, andthere is no cross-reference at all. Thus, it is not as useful as it might have been.

The first full-length study of its type highlighting over 400 British literary detectives, many famous through their film

and TV adaptations. Using essays to highlight different types of detectives and focusing on some of the more famous such as Sherlock Holmes and Inspector Morse, popular crime fiction writer and former President of Britain's Crime Writers Association, Russell James celebrates the role of the detective in British fiction. Illustrations include original film posters and first edition covers from classic detective fiction. Future books by Russell James in this series will include Great British Fictional Villains and US Fictional Detectives and Villains.

About the Author Russell James is an author and historian.
