Andrea Campbell : Great Games For Great Parties: How to Throw a Perfect Party before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Games For Great Parties: How to Throw a Perfect Party:

28 of 28 people found the following review helpful. This is a great game book By EDH This book has lots of good ideas and gives ways to adapt them or change them to suit almost anyones needs. In the back, the games are broken down by category (for ex, icebreakers, pre-party games, quiet games, hunts, etc...) and then another section has them

organized by name. It has a nice section on party planning, things to think about when throwing a party and motivating guests that will be helpful to any newcomer to party throwing. There are no risqué games but lots of them are easily adaptable and can be made less "family oriented" if that is your crowd. The majority of these games are for ADULTS not kids. 23 of 23 people found the following review helpful. A Definite Party Maker By A. ORANGE The main reason I purchased the book was because I was out of ideas for good party games and activities. This book certainly solved that problem. It has a ton of things for great parties, not lame games either that people throw in just to fill space. This thing is 100% usable. And what else is nice its adaptable, and they show you how. Really great book worth every cent and more. I do have one problem with though. I only have one party to do right now and too many ideas ! 0 of 0 people found the following review helpful. Makes a party fun and interesting from start to finish By D. Trigg I am the hostess with the mostest! And I am always on the look out for interesting games and activities for my parties. This book gave an abundance of great games and ice breakers both classic and new; for the young and the young at heart! A very good resource.

Fail-safe entertaining tips show you how to plan a party, run it, and make sure everyone has the time of his or her life. Over 100 innovative, foolproof party games with full instructions cover all stages, from breaking the ice to saying good night. 160 pages, 50 b/w illus., 6 x 9.
