I thought this would be a great gift for her and to also give her something challenging to do without it being too difficult.She lives with my and I often see her doing the word searches. She really enjoys doing that and only once in a while will ask for help with one of the words.If you are

looking for a fun gift for a Great Grandma this is a perfect. I had also bought her the crossword puzzle on with this and she loves that one as well.0 of 0 people found the following review helpful.
