**Kenneth MacKinnon : Greek Tragedy into Film** before purchasing it in order to gage whether or not it would be worth my time, and all praised Greek Tragedy into Film:

This volume offers a comprehensive account and critical analysis of all the important versions of Greek tragedy made on film, from the 1927 footage of the reenactment of Aeschylus's Prometheus in Chains at the Delphi Festival to Pasolini's Notes for an African Oresteia. Synopses of the tragedies are provided.
