THE FUNNIEST THING FROM UK SINCE Monty PythonBy David E. TaeuschI LOVE THAT SUE WHITE as played by Michelle Gomez. saw few episodes on BBC AMERICA, and i keep checking for more.

Get ready to jump aboard the out-of-control hospital trolley that is Green Wing! This award-winning, genre-defying, BBC America comedy continues to prove medical issues needn't interfere with everyday hospital life. This surreal show features an unique cast of characters: the endearing Dr. Caroline Todd; the wise-cracking, heartthrob surgeon, Dr MacCartney; the lustful anaesthetist Guy Secretan; the stammering, crazed radiologist, Alan Statham; the age-

obsessed Head of HR, Joanna Clore; and the terrifying staff liaison Sue White. This book contains all the scripts from series 1, as well as exclusive bonus material, series quotes, an introduction by the show's creator, and scores of photos.

"It's unmissable" The Observer "Fantastically funny hospital-based comedy" Daily Star "Channel 4's hospital sitcom is the most innovative comedy since, well, The Office" The Guardian"
