Ron Klinger : Guide To Better Acol Bridge (SPELLCRACKERS) before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide To Better Acol Bridge (SPELLCRACKERS):

3 of 4 people found the following review helpful. Hidden Gem By J. B. Potter British and U. S. bidding methods have cross fertilized one another for decades. Reading this effort by Klinger and Kambites offers an opportunity to join the party. The presentation often suffers from a tedious dryness only a bidding theorist could love. Yet, that dryness buys a concise description of a large, natural bidding system. As the authors present a wealth of information along with exercises, one may verify one's own learning experience. Hidden gem: Chapter 23 lays out the Modern Losing Trick Count hand evaluation methods clearly and concisely. Better, the presentation reaches sufficient depth so that one may add the technique to one's arsenal without further ado. Especially, for readers curious about methods across the pond,

this volume deserves serious consideration.

For those needing to grasp the fundamentals of sound bidding and play, Ron Klinger's BASIC BRIDGE is the answer. GUIDE TO BETTER ACOL BRIDGE is intended for the large majority who are ready to advance beyond the basics. While GUIDE TO BETTER ACOL BRIDGE emphasises better bidding, each chapter contains examples of play, which highlight areas of winning declarer technique and defence. At the end of each section, a revision test enables the reader to measure the rate of progress. The book can be used by teachers conducting courses, or as a self-teacher.

This is a book which is absolutely packed with good material - and when we say packed, we mean packed for not a scrap of space is wasted. BRIDGE MAGAZINE About the Author Ron Klinger is a leading international bridge teacher and has represented Australia in over 20 world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over 60 books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. Two of his titles - Guide to Better Card Play and Right Through the Pack Again - won Book of the Year awards. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia, and has written a daily bridge column in The Sydney Morning Herald and The Sun-Herald for over 15 years.
