A visceral, violent, and stunning riff on Behner's classic WOYZECK. Jose Solo is an Iraq War veteran trapped in post 9/11 New York in this modern American tragedy.

An inventive madhouse of a play... I was compelled, amused, scared, offended and jolted.... Leonard comes at you head on and with no holds barred, like no one that I know of at work presently in the theater. He is a force to be reckoned with...a kind of raw, innocent daredevil committed to his own aesthetic. --David Rabethis genuinely startling piece of theater lodges under the skin like a needy parasite and burrows away long after the final curtain... It's not to be missed by those who like theater to hit the back of the gut. --Chris Jones, Chicago Tribunehaunting and harrowingbears the marks of a passionately engaged writer with a poetic soul, a gift for bristling dialogue, a pitch-black comic sensibility and an almost Orwellian view of the worldbased on WOYZECK but utterly contemporary in its reworking...the kind of catharsis rarely found on the stage. --Hedy Weiss, Chicago Sun-Times
