Guinness World Records 2006 is crammed with hundreds of new photographs, over 1,500 new and fully updated records and - for the first time ever - giant gatefold features that really bring these incredible records to life. As well as listing the world's largest, tallest, heaviest and most extreme, this year you'll find exclusive celebrity interviews, key

sporting facts at your fingertips in the all-new sports reference section, and a host of exciting new categories that bring the best-selling book of all time into the 21st century, such as the X Games, Digital Music, and Computer Games. Plus, as always find the answers to all your nagging questions: * Who's had more plastic surgery than anyone else? * What's the largest object ever stolen? * Why - and how - did one man eat an aircraft? * Where will you find the largest extreme sports event? * And, how do you get your name in the record books? This, and a whole lot more, in Guinness World Records 2006 - the ultimate page turner...
